- announcement
- practical information
- exhibitors' first presentations

Ladies and Gentlemen,

Preparations are underway for the 6th edition of the International Trade Fair for Fastener and Fixing Technology FASTENER POLAND® which will again turn EXPO Krakow into a meeting place for industrialists looking for networking, various types of fasteners and fixing on October 18-19, 2023. Companies from the farthest corners of the world have already confirmed their participation in the exhibition, which has been number one in Central and Eastern Europe for years. As usual, it promises to be very international, after all, during the last edition, as many as 65% of exhibitors came from abroad, including China, Czech Republic, Estonia, India, Malta, Germany, Sweden, Taiwan, Turkey, USA, Hungary and Italy. The largest group of foreign visitors were industrialists from the Czech Republic, Germany and Romania.
